DEDICATION OF THE CRUSADER

Amongst the students of Assumption High School, there are many who, true to the teaching of the Basilian Fathers and to the motto of their school, have striven to achieve goodness, discipline, and knowledge. These, who have placed the honor and reputation of Assumption as their foremost ideal in High School Life, are real Crusaders.

To these, the Crusaders of Mary, men of Assumption, we dedicate this publication.

ABOUT THE THEME . . .

Here at Assumption there is abundant evidence of activity in many spheres—a constant round of academic endeavour, with attendant assignments and exams—plenty of healthy exercise and keen competition in athletics—a well balanced program of social events and all the rest. This we have recorded for you in the following pages.

Underlying all this there is another Life—the Life of Grace in individual souls—less apparent than the other, perhaps, but of far greater significance in the long run. Interspersed through these pages you will find, in short paragraphs, an explanation of this Life within us. (On the divider pages, you will note sketches representing channels by which this Life comes to us—the Sacraments.)

We believe that any record of life at Assumption should include some references to this higher Life—without which all our activity would be "much ado about nothing", but which, remembered, makes us "scorn to change our state with kings".

MOST REVEREND JOHN C. CODY, D.D.
Bishop of London

My Dear Graduates:

May the following lines composed by an Australian veteran of World War I and entitled "My Life is in God's Hands", help to keep you mindful of your Providential mission in life, and ever docile to the inspirations of grace:

My life is but a weaving
Between my God and me;
I cannot choose the colors
He worketh steadily.
Oft times He weaveth sorrow
And I in foolish pride
Forget! He sees the upper
And I, the under side.

Not till the loom is silent
And the shutters cease to ply,
Shall God unroll the canvas
And explain the reason why
The dark threads are as needful
In the weaver's skilful hand,
As the threads of gold and silver
In the pattern He has planned.

With every good wish and a special blessing for this centennial year of London Diocese

Devotedly yours in Christ,

+ John C. Cody
Bishop of London.

In Memoriam

To the memory of Father Thomas Vahey of the Congregation of St. Basil and former member of the staff at Assumption who died on December 4th, 1955. God grant that he may quickly enter into the reward of his priestly labors.

A Letter
from
Fr. LeBel

My Dear Students:

During the next few years there will be some radical changes in the organization at Assumption. In 1953 Assumption College was given university status by the Ontario Government. In January 1956 the College affiliated with Essex College, a non-denominational college for the sciences. This affiliation, we hope, will enable university work to develop more rapidly. Since Essex College will take over the Science building for science students, another building must be ready for Assumption Arts students. The building best able to satisfy this university need is your present High School building. The College and High School authorities plan, therefore, to move the High School to new buildings on the property on Huron Line and Tecumseh Road. The first unit is already built and we hope to have the additional buildings ready to take care of the complete High School and staff by September 1957. For the first time in ninety-nine years, beginning September 1956, there will be no freshmen High School boarders at Assumption. All the present High School boarders, however, will have the opportunity of completing the High School course at Assumption.

The High School students then, in the next few years, are asked to share with us the inconveniences of moving to a new and better site.

May God bless this separation of High School and University campuses with better work in each department. We solicit your prayers for this intention.

Very Rev. E. C. LeBel, C.S.B.

A Message
from
Fr. Cullen

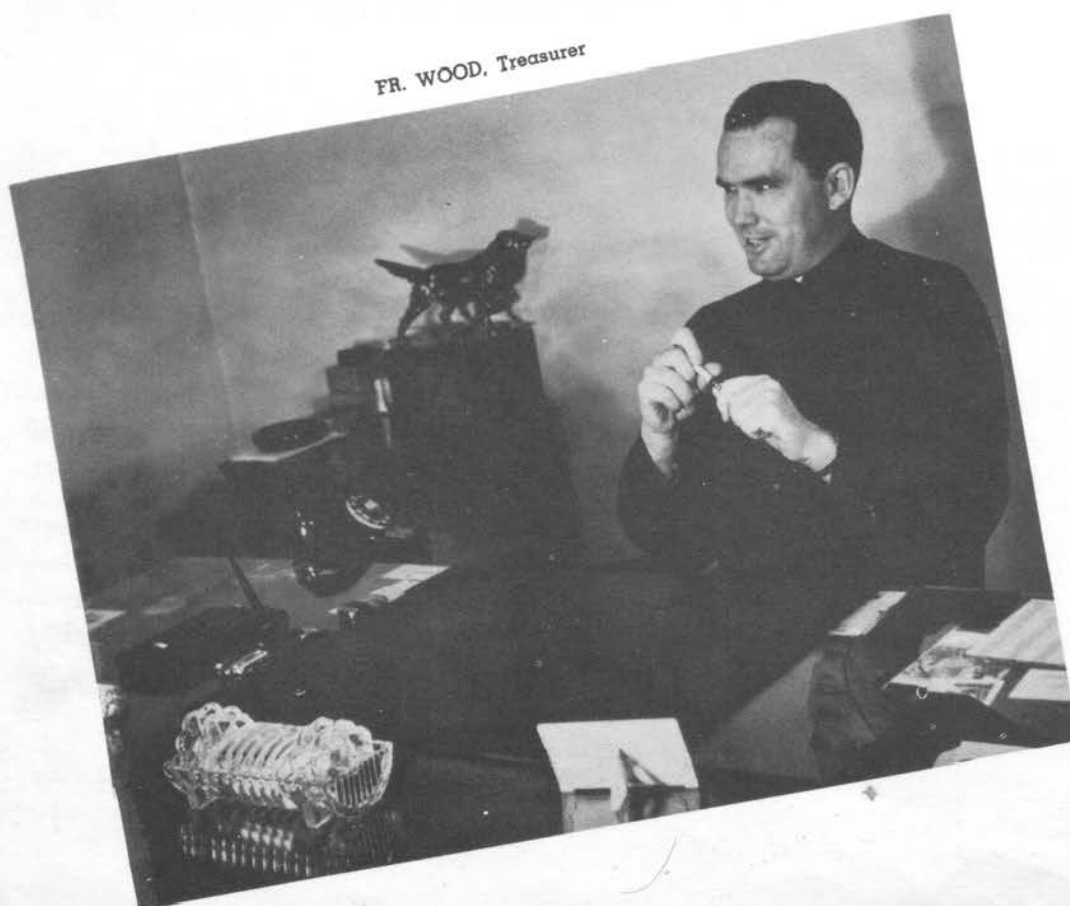

This is the end—yet it really is the beginning. Your short stay at Assumption measured your change from boyhood to young manhood. Now you begin to live the life of an adult, with the duties and responsibilities of that state.

You have advanced in age. How different you are in body from that young lad who came here a few short years ago. You have grown in wisdom. How different are the minds of these wise Seniors from the timid Freshmen of four years ago. You have developed, too, in grace. Each morning your priest-teachers ascended the altar and begged the Almighty God that you would act as He wished, in the state of grace fulfilling your vocation of student.

If your model during these years was the Boy-Christ who advanced in age, and wisdom, and grace, before God and man, you are our shining example of the effects of a Catholic education. Assuming this, we are proud to praise you as an Assumption graduate. In your days of the future, keep your eyes on your model of your High School days, Jesus Christ, and continue to advance in wisdom and grace. Doing this you will capture the peace and happiness of Christ's children to carry with you through life and eternity.

True Happiness for man consists in seeing God as God sees Himself; in loving God as God loves Himself; in sharing God's nature. This is the Vision of God! This Vision of God is our eternal destiny. . . .

Since it is only through the gift of grace that we can attain our Eternal Happiness, therefore our Eternal Happiness must be a gift—a gift of God!

God's nature, as everyone well knows, is Divine or Perfect. God is the only Being with this Divine Nature.

Now man's reason and will, even properly used cannot obtain for man, a share in this Supernatural Nature.

Therefore, if we share in God's nature we share in God's glory. Consequently, the glory we receive when we work for God's sake, is far more immense and long-lasting than is the earthly.

As it is, man is in a state of natural degradation. In order for him to attain Natural perfection (perfect obedience to laws of God and society and nature) his fallen nature must be healed by Grace—the Divine salve. Only then will he be more capable of keeping the commandments.

Therefore grace is necessary if man wishes to share in God's Perfection; if man wishes to achieve supernatural perfection; if man wishes to see God in Heaven. This grace strengthens our will and reason and enables these to do supernaturally good acts and thus to merit the Beatific Vision.

Now, man gets the most satisfaction on earth here when he thinks about a problem and then makes a proper decision on it. Thus it is that man's reason and will are capable of naturally good acts. However, these cannot merit Heaven for us, because Heaven is on the supernatural level. And man's reason and will, alone, are on the natural level.

Grace is a sharing in the Divine Nature. Since God is the only Being with a Divine Nature God must be the source of all Grace.

True happiness consists in sharing of God's Divine Perfections forever. Since God is far superior to man, in order for man to share in God's perfections, he must be elevated to a level of existence and action far above his nature and closer to God's Divine Nature.

The ultimate of Perfection is God! God is supernatural perfection. And God has deigned that man be with Him eternally. Therefore there must be some way in which man can achieve the sharing of God's supernatural perfection.

Our corrupt nature must be healed by the
 salve of grace before we will be capable of
 keeping all the commandments and laws.
 However, because of our fallen state, the
 amount of grace needed for our natural per-
 fection is so immense that no ordinary man
 can attain this perfection. However the more
 grace we have the closer we come to this
 Natural perfection.

But, God is of a nature far superior to ours. His is Divine, ours is human. There is a vast difference! His nature is all perfect, our nature now is all corrupt and degraded.

Since God's nature is Divine, and our nature is human, we by ourselves cannot hope to share His Divine Nature. But God has provided, as our eternal destiny, the sharing of His Nature.

The Principal,
Assumption High School,
Windsor, Ontario.

Dear Sir:

With the full accord of the staff and students of Beck Collegiate, we are writing to you to congratulate your school on its showing in the Ontario Basketball Championships.

The fighting, talented Raiders were undoubtedly the best team in the tournament, but even more impressive was the sportsmanship of your team, spectators, and coach. We were not downhearted very long, for we realized we had lost to a great team.

Father Sheedy's coaching magic and sincere sportsmanship promise a golden era in basketball for Assumption. You are indeed fortunate to have such a man.

We hope that we may have the opportunity of competing with you often in the years to come.

Yours very truly,

Roger D. Macaulay
Senior Basketball Coach.

Throughout Ontario Eastern builds for Industry

From Amherstburg to Orillia, and including Windsor, Sarnia, Chatham, London, Hamilton and Toronto, more and more fine structures are being erected by Eastern—churches and schools as well as office buildings, factories, warehouses and supermarkets. The latter have been part of the expansion of such firms as Chrysler Corporation, Hiram Walker & Sons, International Harvester, Daymond Company, Borden's, York Trading, Bryant Pattern, Seven Up Beverages, Dominion Stores and many others.

One of our most recent contracts has been the new Assumption High School, another significant landmark in the progress of the Basilian Fathers, and a project of which we are particularly proud.

In the pattern of Canada's future the key piece is *you!*

In this fortunate country of ours we have all the materials needed to build a prosperous future—the power and the wealth, the abundant resources of mine and forest, of field and fishery. But in one resource we face a serious and growing shortage—in capable leaders, in men and women with the necessary skills and adequate training to share in the responsibilities and rewards of a rapidly growing nation. If you plan to grow with Canada, now is the time to take full advantage of the educational opportunities your country provides . . . so that you will be prepared to help meet the exciting, exacting demands of a nation marching forward to new greatness. In the pattern of Canada's future, the key piece is *you!*
